THE PROCEEDINGS OF THE NATIONAL BOARD OF TRADE.

Strong Sectional Feeling Evinced On the Reilroad Question and Kinddred Subjects—Weights and Measures.

Washington, Dec. 16.—The National Board of Trade today adjourned, after the endorsement of 2 today's session was the endorsement of a pooling measure which would place this question under the supervision of the inter-state commerce commission. There was a strong sectional division on the question, the const for and the west against the measure.

THE PROCEEDINGS.

At today's session of the National Read of the Commission, said that the commission but mide a report to the precident. The English government, the added, has published a resume of the proceedings of the commission in Great Britain. That document will soon be here, and as it covers the subject fully, it will be valuable to senators and others.

"I hope soon," said Mr. Wolcott "to make a statement oncerning the work of the monetary commission. Quite naturally, the statement I shall make will be uncellical, but it will contain some information that may be of interest and value to the senate.

"As I have been absent from the country about nine months I have not, since my return, on account of an account of make a statement as I should like to make to the senate. If the senator from Nebraska (Allen) will permit the question might go over until after the recess, when about the middle of next month, I shall be able to discuss the subject."

Cannon's Resolution.

Washington, Dec. 16 .- In the senate yesterday Mr. Cannon, of Utab, offered the secretary of the treasury to furnish the senate the names of the revenue cutters employed on the coast of Fibrida to prevent fillbustering; how many expeditions were thwarted; what vessels were captured; what armed expeditions were taken; and by what authority of law the secretary of the treasury acted in the matter.

Mr. Allen's resolution calling upon the president for information about the instructions given to the international monetary commission and the report made to him by the commission then came up.

Mr. Welcott of Colorado, chairman of the commission, said that the com-mission had not made a report to the president. The English government,

Milner, the slayer of J. S. Darrah at Banning, who was convicted todiny of manslaughter for killing his neighbor in a quarrel over water rights, is likely to receive another and third trial because of the peculiar condition of affairs, which is that George H. Dole, foreman of the jury, is a citizen of the Hawaiian republic. Dole is a brother of President Dole of the republic, and although he has lived here several years, he has never taken out citizenship papers. It is understood that Milner's attorneys will ask a new trial on the grounds stated.
